

ALUMINIUM STRUCTURES

From a wedding to a retail storage facility, from 2m to 25m wide, versatility is achieved with this range as they can be erected on any surface offering all year round use.

Key Features

- Utilise the entire plot or site, as no guy ropes are used
- Internal poles are not necessary, therefore maximising space
- Raised integral boarded floors and glazed door units available
- 3m high walls available on all widths

Typical usage

- Parties and weddings of any size
- Temporary storage for retailers
- Corporate Hospitality, Exhibitions, Conferences and New Product Launches
- Cover for staging and tiered seating for arenas, stadiums and sporting events
- Agricultural shows
