

**Makers of Bespoke PVC &
Canvas Covers since 1868**

Haulage Covers

CARTERS was established in 1868 as a rope maker in Kingsclere and has been supplying the haulage trade ever since.

Side Curtains can be provided in a wide variety of colours made in a top quality 900g PVC. We can also supply insulated or mesh curtains.

Sign Written and Printed Curtains are available to maximise your corporate image.

Tarpaulins are manufactured for flat bed trucks as well as tonneau covers, tilt covers and trailer covers.

For the transport industry we also provide ratchet straps, ropes, lifting slings and side curtain spares.

Custom Made Covers

We can produce all types of cover from industrial PVC doors to tailor made canopies.

Windows can be inserted to make use of outside space.

A wide selection of colours are available in hard wearing, waterproof and flame retardant materials.
